Dear Parents,
Hello and best wishes!

Starrett Elementary PTA Board is currently encouraging and seeking volunteers to serve in various capacities with our children and faculty here at the school. There are many opportunities to improve the quality of education and the environment in which our children spend the majority of their school days. Our highest priority is to help serve our community and children.

If you would like to serve in any capacity with the PTA please fill out an approved volunteer application available in the office at Starrett. Or, you can log on to starrettpta.org and click on links, then volunteer application. That will take you to the AISD volunteer homepage where you can download the form which is available in several languages. Once you are approved, you will be able to volunteer. Remember, we'll need your help for these upcoming events! *The Holiday Store, Spirit Fridays, Candy Grams and Field Days as well as other worthwhile projects!* Please remember, even if you do not want to volunteer, you still must fill out a volunteer application and be approved if you wish to go to your child's parties, field trips, field days, etc.

Please detach the lower portion and return to the Starrett office so that we will be aware of your availability for this wonderful endeavor! Our humble thanks in advance for your gracious service to our children and our school!
